

INDEX

Introduction: Why NLP for children?	5
1. DEFINE A GOAL: To change a behaviour	10
2. ANIMALS: Knowing yourself better in order to take action	12
• Anger: ‘The dog that wants to eat the lion’s tail’	
• Fights between siblings: ‘Camels of the Sahara’	
• Problems sleeping: ‘The animals of Africa’	
• School anxiety : ‘The cat with the broken leg’	
• ‘I want to change families’	
• ‘I don’t have friends’	
3. THE HERO’S JOURNEY: Discovering their own resources with archetypes	20
• ‘My little sister makes me upset’	
• Getting rid of anger	
• Separation and stomach aches	
• Panic attacks	
• Fear of making mistakes in class	
4. MENTORS AND ‘SUPERHEROS’: Finding guides who support and inspire	30
• Fear of others	
• ‘I don’t have self-confidence!’	
• Fear of abandonment	
• ‘I can’t sleep’	
• ‘I feel afraid when you shout!’	

5. THE POWER TO CHANGE: Learning to express yourself	36
• ‘I’m going to say what I think!’	
• ‘I’m proud of myself!’	
• ‘Some things can’t be changed’	
• ‘Being home alone’	
6. THE DANCE OF WISHES: Defining their objectives in order to achieve them	42
• ‘If I have friends, I’ll go back to school’	
7. GENERATIVE NLP FORMAT: Boosting self-confidence	46
8. EXTERNALISATION: Recognising their fears - drawing them	49
• Jealousy: ‘I have pots in my head!’	
• Leaving my mum: ‘Monsterini’	
• The nightmare: ‘the twin monsters’
